Dear Sir:

**Re: Nelson Feedlot**

Thank you for your October 12, 2018 letter in response to my earlier letters to each of you and Fiona Vance dated September 19, 2018.

As you are probably aware, I received a telephone call from Bill Kennedy on October 5, 2018 at the request of Fiona Vance.

We appreciate the new bias investigation by Dr. Iwanyshyn.

Richard Hofer is presently away on vacation but I will discuss the animal numbers and approval amendment provisions with him upon his return.

I also enclose a copy of our letter to the Farmer's Advocate office with our request to the Practice Review Committee.

Yours truly,

**NORTH & COMPANY LLP**
