Good afternoon,

In response to your e-mail this morning, I attach a brief letter. Practically, the letter applies to an exhibit list at an oral Review hearing. I have no objection to the draft exhibit list, including no. 7, is used at a mediation.

Regards,

The draft exhibit list for the June 18 hearing is attached. This list includes the complete record on file as of today's date. Material received by the hearing submission date of June 10 will be added to the exhibit list, plus any submissions made at the hearing.

Mediation for this review is now being arranged. An oral hearing may not be necessary, but parties may find the exhibit list useful for the mediation process.

The interested parties have been bcc'd to this email.
