To All Interested Parties:

Notice of Filed Request for Board Review Decision Summary LA19017 / Sundown Feeders Ltd.

The Natural Resources Conservation Board (the Board) has received a request for review (RFR) on NRCB Decision Summary LA19017. The decision summary, issued on July 8, 2019, granted an approval application for an expansion at an existing cattle confined feeding operation (CFO). The existing CFO is located at NW 1-8-24-W4M in Lethbridge County.

The RFR was filed pursuant to section 20(5) of the *Agricultural Operation Practices Act* (AOPA), and met the July 29, 2019 RFR filing deadline set out in the approval officer's cover letter to the decision summary. As that deadline has now passed, there is no further opportunity for parties to file RFRs. A copy of the RFR received is attached.

Any party who believes they would be adversely affected by the positions presented in the RFR may submit a written rebuttal for the Board's consideration (section 13(4) of the AOPA Administrative Procedures Regulation). Rebuttals must be provided by email to laura.friend@nrcb.ca or by fax to 403-662-3994, no later than **4:30 p.m. on August 7, 2019**. Rebuttals filed after the deadline will not be considered.

A fact sheet describing the NRCB's process for Board review requests is attached. If you have any questions, please contact me at 403-297-8269 or by email at laura.friend@nrcb.ca.

Sincerely,

Laura Friend
