Dear Hilary:

**Re: Application LA19017 – Receipt of Part 1 – General Information and Disclosure
Sundown Feeders Ltd.
NW 01-008-24 W4M**

Please be advised that a Part 1 – General Information and Disclosure Application was received by the Natural Resources Conservation Board (NRCB) on April 3, 2019 for a confined feeding operation (CFO) located on NW 01-008-24 W4M. This is the date that will be used to determine the minimum distance separation for the proposed operation. The initial information provided indicates that the application is to increase the beef feeders herd numbers to a total of 3,500.

To assist the NRCB in its decision-making process, please provide by April 10, 2019, the names, legal land descriptions and mailing addresses of any parties that reside or own land within 1.5 miles of the boundary of the above-noted land location. Disclosure of the information is permissible under FOIP Act, Sect 40(1)(i) – employee of a public body for the delivery of a program or service. The information provided will be used for Notification for Development.

A copy of the second part of the application (which includes the technical information) will be forwarded to your office for review and comment once it is received and determined to be complete by an approval officer.

Yours truly,

Joe Sonnenberg
Approval Officer
