To All Interested Parties:

## **Notice of Filed Requests for Board Review Decision Summary LA19004 / P&H Wessels Farms Ltd.**

The Natural Resources Conservation Board (the Board) has received two requests for review (RFR) on NRCB Decision Summary LA19004. The decision summary, issued on July 26, 2019, granted an approval application for the construction of a new cattle confined feeding operation (CFO). The CFO location is NW 33-7-26 W4M in the Municipal District of Willow Creek.

The RFRs were filed pursuant to section 20(5) of the *Agricultural Operation Practices Act* (AOPA), and met the August 19, 2019 RFR filing deadline set out in the approval officer's cover letter to the decision summary. As that deadline has now passed, there is no further opportunity for parties to file RFRs. A copy of the RFRs received are attached.

Any party who believes they would be adversely affected by the positions presented in the RFRs may submit a written rebuttal for the Board's consideration (section 13(4) of the AOPA Administrative Procedures Regulation). Rebuttals must be provided by email to [laura.friend@nrcb.ca](mailto:laura.friend@nrcb.ca) or by fax to 403-662-3994, no later than **4:30 p.m. on August 27, 2019**. Rebuttals filed after the deadline will not be considered.

A fact sheet describing the NRCB's process for Board review requests is attached. If you have any questions, please contact me at 403-297-8269 or by email at [laura.friend@nrcb.ca](mailto:laura.friend@nrcb.ca).

Sincerely,

Laura Friend  
Manager, Board Reviews
