## **Notice of Filed Requests for Board Review Decision Summary RA19016 / Kramer Dairy Ltd.**

The Natural Resources Conservation Board (the Board) has received one request for review (RFR) on NRCB Decision Summary RA19016. The decision summary, issued on November 20, 2019, granted an authorization application for the construction of a barn addition and calf lean-to at an existing dairy confined feeding operation (CFO). The CFO location is SE 2-43-25 W4M in Ponoka County.

The RFR was filed pursuant to section 20(5) of the *Agricultural Operation Practices Act* (AOPA), and met the December 11, 2019 RFR filing deadline set out in the approval officer's cover letter to the decision summary. A copy of the RFR received is attached.

Notice of an authorization application must be provided only to municipalities that are affected or directly affected. In this case that is Ponoka County. Because there are only two parties to this review, and to accommodate the Christmas holidays, the Board requests that the **County file its rebuttal, or advise whether it intends to file a rebuttal, by 4:30 pm on December 6, 2109**. The rebuttal must be provided by email to [laura.friend@nrcb.ca](mailto:laura.friend@nrcb.ca) or by fax to 403-662-3994. Legislation regarding written rebuttals for the Board's consideration is found in (section 13(4) of the AOPA Administrative Procedures Regulation.

If you have any questions, please contact me at 403-297-8269 or by email at [laura.friend@nrcb.ca](mailto:laura.friend@nrcb.ca).

Sincerely,

Laura Friend
