Dear Laura:

RE: Board Review  
Kramer Dairy Ltd. – RA19016  
SE 2-43-25-W4

The Ponoka County Municipal Development Plan contains provisions to limit the establishment and expansion of CFO's on land within two miles of the Town of Ponoka. We understand and recognize that the Kramer Dairy, although 1.5 miles from the Town of Ponoka boundaries is grandfathered for continued operations.

The County supports condition #10 of authorization RA19016 regarding the earthen liquid manure storage. The proximity of the Dairy in relation to the Town Boundary and County residential acreages affirms the need to assess the environmental risk posed by the liquid manure storage (See attached Map #34)

Thank you for providing the Ponoka County an opportunity to file this rebuttal.

Sincerely yours,
