Re: **NRCB Review of RA19016 / Kramer Dairy Ltd.
Submission Extension Request**

Kramer Dairy Ltd. submitted its reply on February 11, 2020, and requested an extension of one month for it to retain Envirowest Engineering Inc. to conduct testing to determine if the current lagoon is currently or has historically leaked. The Board has granted an extension to **March 12, 2020, 4:30 p.m.**
