## Open Farm Days showcase local producers

During Alberta Open Farms Days, Aug. 17 and 18, more than 100 farms, ranches and ag-tourism operators across the province opened their gates and invited visitors to share in local stories, see on-farm demonstrations and purchase locally-grown and

produced products.

In Clearwater County, eight farms offered the public an opportunity to visit and learn about their businesses, including Will 'o the Wisp Paddocks, Hoven Farms, Cattlegrass Ranch, Ravenscrag Alpacas,

Bingley Farm Pottery, Carlos Little Bead Store, High Country Berries and Veggie Fella.

"You'll come away knowing your rural neighbours a little bit better and how food gets from the farm to your table," states the website [albertafarmdays.ca](http://albertafarmdays.ca).

The garden at Veggie Fella featured a selection of u-pick vegetables grown without pesticides or herbicides.

Carlos Little Bead Store owner Lucie Bouvier, left, helped one of many visitors at Open Farm Days create a piece of jewellery from the thousands of beads she offers for sale.
