Subject: EO 21-01 Schooten - RFR - further update for panel
Date: Friday, October 29, 2021 11:53:31 AM

Dear Ms. Friend,

You may recall that on October 18, I provided a brief update to the NRCB Board panel relating to this request for review proceeding. In that update, I advised that JS&S had requested a postponement of decision on application LA21035.

Today, I advise that JS&S has formally withdrawn application LA21035. They have also filed Part 1 for a new application (file LA21053) for the Mossleigh feedlot.

The NRCB approval officer who is processing application LA21053 will also conduct a grandfathering determination for the Mossleigh feedlot. The grandfathering determination process and decision will run in tandem with the permit process and decision. The expected date of a decision is not ascertainable at present.

As before, I have copied John Schooten and Sons Custom Feedyards Ltd., Shane Schooten (blind copied), Cody Metheral, Vulcan County, and Mike Wenig (panel counsel) on this e-mail.

Regards,

Fiona N. Vance (*she/elle*)
