I Cornelius Wolfe strongly disagree with the feedlot of the Cleardale Colony. I own land in the area and with the feedlot it decrease my land value very much . The local feed market has not been a benefit to any neighbors so far, plus all the traffic we get. I myself have tried to make a living in the area and the feedlot has not made a difference . The Colony has no respect for the neighbors or the county's bylaws. Cornelius Wolfe ph# 7808350577
