Re: RFR rebuttal for Decision RA22026

To Laura Friend,

The Village of Acme requests that the NRCB uphold the original application decision for Application RA22026 Rimrock Cattle Co. Ltd.

In respect to the issues that are raised by Rimrock please note the following:

The IDP of the Village of Acme Bylaw #2020-02 under the guiding principles creates a shared vision for future growth by establishing a long-term strategy balancing the interests of both municipalities.

In the Policies section (pg. 8) one of the subpoints is that: Buffers or similar mechanism to mitigate potential conflict between commercial/ industrial, agricultural, and other uses shall be used where needed.

In the section Annexation: The County recognizes and agrees that the Village will need additional land to grow and will support annexations that will provide for 30-40 years of projected growth with the boundaries of the Village.

Thank you for your consideration in this matter.

Respectfully
