Does there not have to be a study of water availability that will be over the years, drought included? This is my big concern & have not seen anything yet.

Yours in concern

Good afternoon,

I am legal counsel on behalf of the NRCB Approval Officer and NRCB Field Services. Further to Ms. Friend's letter of March 24, 2023, I would like to advise that the Approval Officer takes no position on the outcome of the Request for Review, has no submission to make, and has no documents to assist the Board at this time.

I have blind-copied the individuals on the Recipient List with Ms. Friend's letter, except Denver and Myrna Eitzen, for whom I do not have an e-mail address.

Regards,
