Hey there my name is Bev Wilson and we have an order from Cathryn that is due to be fulfilled by tomorrow, I have asked for an extension to June 25th as we have a team ready to roll that day to move all the manure to the back of the property. As we are a federal charity we rely on donations of time or money to get all of our work done as does any charity

We have not delayed this out of spite or because we don't want it done we do want it done we just have not had the chance to do this due to a tractor being broke down for almost a year due to obsolete parts

I have 2 skid steers 2 dump trailers and a gravel truck set to go on the 25th. All donated..

That is all I am asking Cathryn can come on the 26th and inspect it will be done.

Thank you for your 10 day extension consideration.

Bev
