Hi Bernadette,

The decision for LA24002 – Van Huigenbos Farms Ltd. has been issued and my analysis is detailed in Technical Document LA24002 and Decision Summary LA24002. The decision did not require a measurement taken by a professional surveyor from the Kostelansky residence to the closest CFO facility. Should you have any further questions, concerns, or requests, please contact Laura Friend at laura.friend@nrcb.ca.

Hi Kelsey

We could possibly have a qualified survey completed by the 4:30pm August 14/24 deadline, to determine the distance from the Kostelansky residence to the corner of the pen on the Van Huigenbos property, if we can obtain a schematic of the points used for reference by Google Earth, for the surveyor. Would you be able to send us that please?

Also we would need permission from Van Huigenbos Farms Ltd. to enable the Surveyor to access the property. Time is of the essence so i would need this information by early morning.

Thank you.

Bernadette McNab
