Brent Feyter, Mayor Fort Macleod

Re: Proposed CFO Expansion

Dear Madam/Sirs,

This letter is in support of the letter to the editor of the Macleod Gazette in Fort Macleod today and to protest solidly against the proposed CFO expansion. I live on Deerpath Meadows and I absolutely cannot condone this plan. The smell is almost the least of my concerns; pollution to our water and the aquifer that we all depend on. Roads are already severely neglected without any consideration of safety measures to the public.

As for the smell; the spread of increased manure loads directly across the road, directly in line with the Town of Fort Macleod less than two kilometres from Main Street. This will absolutely affect the time and money tourists will spend in our Town of which many Fort Macleod businesses rely, as well as being a detriment to our property values.

This location is metres away from minimum setbacks, at-risk above- ground waterways, above high-risk ground water sources in a densely populated area and lacks adequate infrastructure and is directly down wind within two kilometres of hundreds of families and is not the appropriate location for this expansion application.

I support progress but not at the expense of community members.

Thank you for your time and consideration in this matter,

Sincerely,

Kate Glover

Resident

Fort Macleod
