

**JOINT NOTICE OF FILING  
TOWN OF CANMORE AREA**

**APPLICATION BY THE TOWN OF CANMORE TO CONSTRUCT A DEBRIS FLOOD  
RETENTION STRUCTURE AND ACCESS ROAD ON COUGAR CREEK**

NRCB APPLICATION NO. 1601  
ALBERTA ENVIRONMENT AND PARKS, WATER ACT FILE NO. 00384210 AND  
ENVIRONMENTAL IMPACT ASSESSMENT REPORT

**TAKE NOTICE** that the Town of Canmore has applied to the Natural Resources Conservation Board (NRCB) and Alberta Environment and Parks (AEP) for approval to construct a debris flood retention structure on Cougar Creek. The Project location (14-34-024-10 W5M) is at the site of an existing debris net on Cougar Creek, approximately 2 km northwest of the Trans-Canada Highway.

**NATURE OF APPLICATION**

The Town of Canmore has prepared and submitted an application for Approval under the *Water Act (WA)* for the activities associated with the construction and long-term management of the Proposal. The Town of Canmore has also prepared and submitted an Environmental Impact Assessment (EIA) report to Alberta Environment and Parks, which forms part of their application to the NRCB.

**ADDITIONAL INFORMATION**

To obtain additional information about the Proposal or copies of the application and EIA report or summary thereof, contact:

Felix Camire, E.I.T., Project Manager  
Town of Canmore  
902 – 7 Avenue  
Canmore, AB T1W 3K1  
Ph: (403) 678-1512  
Email: [fcamire@canmore.ca](mailto:fcamire@canmore.ca)

The application and EIA are available online: <http://canmore.ca/residents/community-life/mountain-creek-hazard-mitigation> or may be viewed by appointment at the following locations:

Town Hall  
Canmore Civic Centre  
902 – 7 Avenue, Canmore

Natural Resources Conservation Board  
4<sup>th</sup> Floor, Sterling Place  
9940 – 106 Street, Edmonton

This notice is published to advise interested persons that the NRCB application and EIA report are available and that the NRCB, AEP, and other provincial government departments are undertaking a review of the application. The application is not considered complete until the filed material has been reviewed and deficiencies supplemented.

Individuals who have an interest in receiving notices respecting the NRCB's review process should contact the NRCB directly. Call (780) 422-1977 or write to the address below to have your name and address included on the NRCB mailing list for this review.

Please note that all correspondence, information and submissions filed regarding this project application are considered to be public records and are therefore accessible by the public. (Under section 24 of the NRCB's Rules of Practice, all documents filed in respect of this proceeding must be placed on the public record unless otherwise ordered by the Board, subject to the *Freedom of Information and Protection of Privacy Act*).

For more information on the NRCB Review process, contact:
