Dear Ms. Crowchild:

Re: Town of Canmore Cougar Creek Debris Flood Retention Structure – Regulatory Submission

Please find attached an electronic copy of the Environmental Impact Assessment Report for this project and a summary that was prepared for the Natural Resources Conservation Board. These documents were submitted to Alberta Environment and Parks and the Natural Resources Conservation Board today (July 28, 2016).

We appreciate the time that you and your team spent with us to discuss this project and we would be happy to answer any additional questions you may have. We will keep you informed as we reach project milestones.

If you have any questions or comments, please contact me at 403.678.1512.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Félix Camiré', is positioned above the typed name.
