RE: Town of Canmore Debris Flood Retention Structure

Please be advised that the Blood Tribe Tribal Government & External Affairs Traditional Land Use and Occupancy Study Office conducted a traditional land use assessment of the above project on April 21, 2016. No traditional sites were found on native prairie within the project right of way.

Accept this letter as a non-objection to the above noted projects. However, any decision including our non-objection, should not be construed or interpreted as abandoning, waiving or extinguishing our Aboriginal or Treaty Rights.

Should you have any questions or concerns, please feel free to contact our office at 403-737-8236.

Regards,
