Subject: Intention to formally withdraw from SR1 ERCB Hearings - Support of CRCAG Effort
Date: Tuesday, February 23, 2021 9:26:28 AM
Importance: High

Ms. Friend,

Thank you for your reminder voice message yesterday regarding submissions and participation in the March ERCB SR1 hearing process..

As I verbally indicated in the pre-hearing in December, I will not be formally participating in the March hearing process as my concerns and opinions are 100% aligned with CRCAG's efforts and advocacy. I will support CRCAG's effort going forward and participate through this organization.

I hope that this approach will lead to a more efficient hearing process, and quicker approval of SR1 flood mitigation project.

Thank you for the opportunity to participate in the pre-hearing.

Regards,

Kyle Keith, P.Eng
