**RE: Blood Tribe/Kainai Request to Extend Filing Date  
Springbank Off-Stream Reservoir Project (SR1)  
NRCB Application No. 1701**

This is to advise you of the Board's decision in response to the Blood Tribe/Kainai's second request to extend the filing date for the Blood Tribe/Kainai.

Having regard for your March 4, 2021 letter request and the same date letter from Alberta Transportation counsel consenting to your request, the Board grants the requested extension to March 12, 2021. Consistent with the requests filed, the Board extends the deadline for Alberta Transportation response to that submission to March 17, 2021.

Yours truly,

Bill Kennedy  
General Counsel
