Re: SR1 NRCB Application No. 1701
City of Calgary Undertaking Response

Dear Mr. Rae,

During the cross-examination of the City's witness, Frank Frigo, in the above-noted application, Mr. Frigo provided the following undertaking:

To make enquiries and, if available, provide an unredacted copy of the agreement between the Government of Alberta and TransAlta as described.

The City of Calgary is not a party to this agreement, and does not have a copy of the agreement to provide. The City can point you to the Government Alberta's website for the publicly available information respecting this agreement. Please visit <https://www.alberta.ca/bow-river-basin-transalta-operations.aspx>.

Yours truly,

Melissa Senek
