**Re: SR1 NRCB Application No. 1701  
 City of Calgary Transcript Corrections**

Dear Ms. Friend,

The City of Calgary notes the following corrections to Volume 2 of the transcripts for the above-noted hearing, dated March 23, 2021 (Exhibit 357):

Page	Original	Correction
330, lines 1-2	"\$2.7 million straight multiplied over the next hundred years."	" <b>\$27</b> million straight multiplied over the next hundred years."
331, lines 18-21	"Elbow River flood damages will be in the order of 2 to \$3 million over the next hundred years unless additional mitigation is undertaken."	"Elbow River flood damages will be in the order of 2 to \$3 <b>billion</b> over the next hundred years unless additional mitigation is undertaken."

Yours truly,

Melissa Senek
