Notice of Commencement of an Environmental Assessment

Ottawa – June 23, 2016 - The Canadian Environmental Assessment Agency (the Agency) has commenced an environmental assessment pursuant to the *Canadian Environmental Assessment Act, 2012* (CEAA 2012) for the Springbank Off-Stream Reservoir Project.

On June 23, 2016, the Agency decided that a federal environmental assessment was required.

For further information on this environmental assessment, please contact:
