

In consideration of Decision Summary RA23017, Authorization RA23017 is issued to:

Name: Hutterian Brethren Church of Camrose (the “permit holder”)
Address: Box 1918 Camrose, AB T4V 1X8
Contact person: Leonard Tschetter

Permitted construction (based on the submitted site plan):

- Feedlot catch basin expansion – from 130 m x 35 m x 3.5 m deep to 130 m x 70 m x 3.5 m deep

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that Act.

The permit holder shall adhere to the descriptions, site plan, and other attached documents included with filed Application RA23017.

The permit holder shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in condition 2.

The permit holder is responsible for all costs associated with reporting requirements (this includes post construction reports).

Construction conditions

Feedlot catch basin expansion

1. The permit holder shall provide a completion report, stamped by a professional engineer, certifying that the catch basin expansion has been constructed in accordance with the proposed design. At a minimum the report must confirm that the facility is constructed in the approved location, and with the approved dimensions including side slopes.
2. The permit holder shall not allow manure impacted runoff in the expanded catch basin until the facility has been inspected by NRCB personnel and confirmed by them, in writing, to have been constructed in accordance with the terms and conditions of this permit.
3. The permit holder shall complete construction of the catch basin expansion prior to December 15, 2025. Upon request, this deadline may be extended by the NRCB in writing.

This authorization becomes effective immediately and needs to be read in conjunction with previously issued Approval RA22006. The authorization conditions will remain in effect unless amended in writing by the NRCB.
