

Total permitted animal capacity from all permits for this site:

1,000 sheep (ewes with lambs)

1,000 sheep feeders

In consideration of Decision Summary LA24009, Registration LA24009 is issued to:

Name: Anchor X Cattle Ltd. (the “permit holder”)
Address: Box 1013, Picture Butte AB T0K 1V0
Contact person: Ron Bezooyen

Already constructed:

- Sheep barn with corrals – 63 m x 27 m (under roof) and 63 m x 17 m
- Feeder sheep corrals – 145 m x 55 m

Permitted construction:

- Catch basin – 25 m x 25 m x 2.5 m deep

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that Act.

The permit holder shall adhere to the descriptions, the site plan, engineering reports and other attached documents included with filed Application LA24009.

The permit holder shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in condition #3.

The permit holder is responsible for all costs associated with monitoring, sampling, testing, recording, and reporting requirements (this includes post construction reports).

Construction conditions

Catch basin

Construction completion report

1. The permit holder is required to provide evidence or written confirmation from a qualified third party that the dimensions of the catch basin are as laid out in this permit and that it meets the 6.1 m setback from the property line.

Construction completion deadline

2. The permit holder shall complete construction of the catch basin prior to December 31, 2025. Upon request, this deadline may be extended by the NRCB in writing.

Post construction inspection

3. The permit holder shall not allow manure contaminated runoff to enter the catch basin until the NRCB has inspected the facility and stated in writing that the facility has been constructed in accordance with this registration.

This registration becomes effective immediately. The registration conditions will remain in effect unless amended in writing by the NRCB.
