

Total permitted animal capacity from all permits for this site:
300 Milking goats (plus dries and replacements)

In consideration of Decision Summary LA25003, Registration LA25003 is issued to:

Name: Marc and Cornelia Hermus (the “co-permit holders”)
Address: Box 665, Brooks AB T1R 1B6
Contact person: Marc Hermus

Permitted construction (based on the submitted site plan):

- barn 41.1 m x 18.3 m
- solid manure storage pad – 12.2 m x 12.2 m

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that Act.

The permit holder shall adhere to the descriptions, the site plan, building plans, engineering reports and other attached documents included with filed Application LA25003.

The permit holder shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in condition #2.

Construction conditions

Construction completion deadline

1. The permit holder shall complete construction of the manure collection and storage portions of the barn and solid manure storage pad prior to December 31, 2026. Upon request, this deadline may be extended by the NRCB in writing.

Post construction inspection (prior to population of facilities)

2. The permit holder shall not allow livestock or place manure in the manure storage portion of the barn or the manure storage pad, until both the barn and solid manure storage pad have been inspected by NRCB personnel and determined by them, in writing, to have been constructed in accordance with the terms and conditions of this permit.

This registration becomes effective immediately. The registration conditions will remain in effect unless amended in writing by the NRCB.

March 5, 2025
