

In consideration of Decision Summary RA24052, Authorization RA24052 is issued to:

Name: Verhoef Dairy Ltd. (the “permit holder”)
Address: RR 3 Ponoka, AB T4J 1R3
Contact person: Herman and Wesley Verhoef

Permitted construction (based on the submitted site plan):

- Addition to dairy barn – 27.4 m x 42.6 m (total length 80.7 m)
- Heifer barn – 70.1 m x 18.3 m
- Solid manure storage pad – 25 m x 25 m

The permit holder shall comply with the requirements of the *Agricultural Operation Practices Act* (AOPA) and the regulations passed pursuant to that Act.

The permit holder shall adhere to the descriptions, the site plan, building plans, engineering reports and other attached documents included with filed Application RA24052.

The permit holder shall contact the NRCB at least 10 working days in advance of the desired inspection date to schedule the inspection in conditions 1, 3 and 5.

Construction conditions

Addition to the dairy barn

1. The permit holder shall not allow livestock or manure in the addition to the dairy barn, until the facility has been inspected by NRCB personnel and confirmed by them, in writing, to have been constructed in accordance with the terms and conditions of this permit.
2. The permit holder shall complete construction of the manure collection and storage portions of the addition to the dairy barn prior to March 1, 2028. Upon request, this deadline may be extended by the NRCB in writing.

Heifer barn

3. The permit holder shall not allow livestock or manure in the heifer barn, until the facility has been inspected by NRCB personnel and confirmed by them, in writing, to have been constructed in accordance with the terms and conditions of this permit.
4. The permit holder shall complete construction of the manure collection and storage portions of the heifer barn prior to March 1, 2028. Upon request, this deadline may be extended by the NRCB in writing.

Solid manure storage pad

5. The permit holder shall not allow manure on the solid manure storage pad until the manure collection and storage parts of the facility have been inspected by NRCB personnel and confirmed by them, in writing, to have been constructed in accordance with the terms and conditions of this permit.
6. The permit holder shall complete construction of the manure collection and storage portions of the solid manure storage pad prior to March 1, 2028. Upon request, this deadline may be extended by the NRCB in writing.

This authorization becomes effective immediately and needs to be read in conjunction with previously issued Registration RA18039. The authorization conditions will remain in effect unless amended in writing by the NRCB.

April 4, 2025
